Mobile Security for Managers 8. Mobile Security for Healthcare Professionals 9. Mobile Security for Healthcare Executives 10. Mobile Security for Healthcare Managers 11. Mobile Security for Financial Institutions 12. Mobile Security for Educators 13. Where Is Your Device? (Backups) 14. Is it Safe? (Mobile Security) 15. How Secure Is Public WiFi? (Public WiFi)
Certification	• Certificate of competence
Assessment	• N/A

About WWISE

Who are we?	World Wide Industrial & Systems Engineers (WWISE) is an ISO consultancy, training, business solutions and systems implementation firm based in Southern Africa that provides clients with effective business processes and Safety, Health, Environmental, Risk and Quality (SHERQ) management solutions in preparation for ISO compliance. The solutions we provide and implement allow our clients to compete favourably in modern competitive business environments, locally and internationally. We also strive to be the leading training providers in SHERQ, ISO, Engineering, Finance, Business and Project Management.
What do we do?	Our services are aimed at the improvement of quality, efficiency, knowledge and competitiveness of client companies. The service range includes: • ISO and SHERQ Systems implementation services whereby we assist client companies in meeting the requirements of ISO 9001, 14001, 22000, 31000, 27001, 20000-1, 50001 and ISO 45001 standards. • Integrated Management Systems development whereby we integrate several business systems and quality management solutions into a single management system to comply with various quality and safety standards. • Training of all employees (Shop Floor to Executive Management) in the fields of SHERQ, Engineering, Finance, Business and Project Management to meet the job responsibilities and expertise requirements of International Standards. • ISO and Legal auditing which includes gap analysis audits, product, process, procedural, and systems auditing by our registered SAATCA auditors. • Customized web-based solutions integrating current systems to be in line with ISO requirements We are a Level 1 BBBEE Contributor that specializes in systems development, consultancy, training and auditing.
