Course Content

Course Modules	1. Need to Know: Removable Media 2. Removable Media 3. Removable Media Brief 4. WORKed Episode 1: Bathroom 5. Removable Media for Executives 6. Removable Media for Managers 7. Removable Media and PHI 8. Removable Media and PHI for Healthcare Managers 9. Removable Media and PHI for Executives 10. Removable Media for Financial Institutions 11. Removable Media for Educators 12. Encryption 13. CJIS Policy: Media Protection 14. Lost and Found (Encryption) 15. To Change a Lightbulb (IoT)
Certification	• Certificate of attendance
Assessments	• N/A

About WWISE

Who are we?	World Wide Industrial & Systems Engineers (WWISE) is an ISO consultancy, training, business solutions and systems implementation firm based in Southern Africa that provides clients with effective business processes and Safety, Health, Environmental, Risk and Quality (SHERQ) management solutions in preparation for ISO compliance. The solutions we provide and implement allow our clients to compete favourably in modern competitive business environments, locally and internationally. We also strive to be the leading training providers in SHERQ, ISO, Engineering, Finance, Business and Project Management.
What do we do?	Our services are aimed at the improvement of quality, efficiency, knowledge and competitiveness of client companies. The service range includes: • ISO and SHERQ Systems implementation services whereby we assist client companies in meeting the requirements of ISO 9001, 14001, 22000, 31000, 27001, 20000-1, 50001 and ISO 45001 standards. • Integrated Management Systems development whereby we integrate several business systems and quality management solutions into a single management system to comply with various quality and safety standards. • Training of all employees (Shop Floor to Executive Management) in the fields of SHERQ, Engineering, Finance, Business and Project Management to meet the job responsibilities and expertise requirements of International Standards. • ISO and Legal auditing which includes gap analysis audits, product, process, procedural, and systems auditing by our registered SAATCA auditors. • Customised web-based solutions integrating current systems to be in line with ISO requirements We are a Level 1 BBBEE Contributor that specialises in systems development, consultancy, training and auditing.
